Subject Information regarding payment of school fees

Dear All Parents / Guardians,

The current economic conditions have directly affected all sectors and Satit Udomseuksa School understands the financial pressures placed on parents in terms of the tuition fees, school uniform and school supplies. Therefore, to help ease this problem the school has set up a policy which allows parents to pay the school tuition fees in installments.

It is important to us that our student's education is not affected, and we want to encourage parents to contact us as soon as possible.

If any parent wishes to pay by installments, please contact the school's Admissions Office and Finance Department for further information. Contact number - 038 232755(-7) from now on. Please be informed accordingly.

Best regards,

Ms. Titipun Pettrakul

General Manager
